## League Rules & Procedures

- 24 player league
- Play is round robin format, best 3 out of 5 games per match.
- All players will begin the season with their prior league rating. If a player does not have one, their USATT Rating will be used.
  - Rating points will be exchanged for every match, with the winner gaining points and the loser losing an equal amount of points as dictated by the USATT rating calculation chart. (there will be no adjustments in this league)
  - League rating will not affect USATT rating
- Players will be divided into 4 groups of 6 (A, B, C, D)
  - The first week, players will be snake seeded based on League/USATT Tournament Rating
  - 3 players will move up or down from each group every week
  - Each player must play every other player in his group
  - Any player who leaves before playing someone in his group will lose by default to that person (rating points will be exchanged as usual)
- A minimum of 45 matches must be played to be eligible to claim prizes
- Prizes will be determined based on enrollments
- The League overall winner (based on highest Match Percentage) **may** get an invitation to the next higher league. This decision will be based on the quality of league play and a coach assessment
