

# Serve & 1<sup>st</sup> Attack Table tennis clinic

## August 1, 2020

- **Saturday, August 1, 1 - 4pm**
  - The first 3 balls of every point only happen once – the serve, the return and the 1<sup>st</sup> attack. We'll be focusing on making a high quality serve that will influence the serve return, setting up a consistent and effective 1<sup>st</sup> attack.
  - We'll be adding some drills that go along with the serve and 1<sup>st</sup> attack.
  - Wear comfortable clothing.
  - Bring your own paddle & water. We'll have clean balls to use or bring your own.
- **Costs - \$45/adults \$35/students, payable through Omnipong or in advance at the club**
- **Coaches** – Dave Fullen and Jay Nelson, who is volunteering his time during the pandemic.

**Masks are required on entry and exit. Players don't have to wear masks during activity. Coaches will wear masks when instructing at the table.**  
**We'll check temperatures when you arrive.**

**Spin & Smash disinfects tables, entrances, barriers and other touchpoints regularly.**

**Limited to the first 12 players to sign up and make payment.**

You can book your spot at Spin & Smash, register on [www.omnipong.com](http://www.omnipong.com) or send an e-mail to [dave@play3tc.com](mailto:dave@play3tc.com).
