PLAYING FORMATS

All matches will utilize the 11-Point Rule and will be played as a best of five match.

Each event's playing format is dependent on the number of participants in each particular event. The Tournament Director and/or Competition Manager reserves the right to change the format of any or all events in order to preserve fundamental fairness in the tournament. Otherwise all events will be played as follows: Stage One will be RR groups; and STAGE Two will be played in a single elimination format.

The Competition Manager reserves the absolute right to cancel any event due to lack of registrants. The recommended number of participants for each event is set out below; however, the Competition Manager in his or her discretion may elect to proceed with an event that has fewer than the recommended number of participants, provided there are a minimum of three (3) actual participants for that event, with the exception of Para events in which case the minimum number of participants is two (2).

EVENT SCHEDULING

Events are not guaranteed to be completed on the same day that they begin. No refunds will be given for early departure. An entrant's signature on the tournament entry form acknowledges that the dates are acceptable for participation in the registered events regardless of any holidays, federal, state, local, religious, or foreign.

DEFAULTS

An athlete who defaults in any match in this tournament is considered to have completely, fully and finally defaulted the opportunity for any further participation whatsoever in the State Qualification Tournament. However, in cases where the default is due to illness or injury, an athlete may appeal to the Referee, who may seek the guidance from the CEO of USATT, for the right to be permitted to participate in a separate Youth and/or Men's or Women's Championship Event for which the athlete has previously registered other than the Event in which the athlete defaulted. The Tournament Referee is vested with the sole authority, with the guidance of the CEO of USATT, but without opportunity for appeal, to determine whether the athlete's default was due to a verifiable injury or illness and whether the athlete should be permitted to compete in a said separate Event.

SEEDING

To the extent that seeding in an event is required, all seeds will be based upon the USATT Rating List generated on January 15, 2021.

AWARDS

All event champions will receive an automatic bye into the main draw of the champion's particular event at the US National Table Tennis Championships, which are scheduled to be held from July 4 – 9, 2021 at the Mandalay Bay Convention Center in Las Vegas, Nevada. The top three finalists in each event will also receive an appropriate award and certificate confirming the competitor's final position in the US Nationals State Qualifying Tournament.
