Selection procedure National Boys and Girls teams USATT for the calendar year 2024

The National teams for boys and girls (U-19, U-17, U-15, U-13 and U-11) who will represent the US in international tournaments will be selected as follows:

* We introduce a point system that will determine the selection and ranking order for both national boys and girls teams

* There will be 2 tournaments in the calendar year 2024 which count for this ranking

* The two tournaments are National Youth Team Trials I (March 2024) and National Youth Team Trials II (May 2024)

* Points will be awarded according to the table below

* After every tournament the newest points ranking will be published

* The national team will consist of 8 players in each category

* The newest points ranking at the entry deadline for an international event where USATT can select players will be used for the nomination for that particular international event up to four players

* If there is a spot for a fifth player in any event USATT's head coach will make a recommendation about the number 5 player to the HPC, who will make the final decision.

Factors to be considered for selecting the 5th player will be performance, potential for long term development, adequate training conditions and environment, consistency and quality and professional judgements of player potential by USATT Head Coach Gao Jun, with input provided by the USATT National Youth Coaches.
