HOW IT WORKS?

Each week, all players are sorted by rating and grouped into groups of four to six players, for example top five players in one group, the next five highest rated players in the second group, etc. The previous week's group winners (1st place from 4-player group, 1st and 2nd place from 5-player or 6-player group) are upgraded to one group higher than they normally would have been. There will be no single elimination.

Match results will be submitted to USATT for league rating update every week. ASLT TT club rating will be updated every week as well and used for seeding through the entire season. Estimate ratings are given to unranked/new league players by league officials.

All matches are 11-point games, best 3 out of 5 games. Pre-match warm-up time is limited to 2 minutes. Players shall check in with the league committee 15 minutes before starting time.

This is an official USATT event, therefore, all USATT rules shall be enforced, including legal services, coaching, breaks in-between points and sets, etc.

All league committee decisions are final.

PRIZES AND POINTS SYSTEM

Based on the place you finish each week in your group, you will be awarded league points based on the following tier system. At the end of season, each player's points earned every week will be totaled to a final score, and **two players with top two highest scores** will be awarded. The league committee will also dispute ties between league finishers if needed.

- First Place: 5 points
- Second Place: 3 points
- Third Place: 2 points
- Fourth Place: 1 points
- Fifth/Sixth Place: 0 points
- **No attendance/default: -1 point**
