## HOW IT WORKS?

1st week and 4th week: grouping based on **sequential rating w/o swapping players**. All players are sorted by ASLT club rating and grouped into groups of four to six players, for example top five players in one group, the next five highest rated players in the second group, etc.

2nd week and 5th week: grouping based on **sequential rating w/ swapping players**. The rule of swapping players is: The previous week's group winners (1st place from 4-player group, 1st and 2nd place from 5-player or 6-player group) are eligible for being upgraded to one group higher than they normally would have been. Up to two eligible players will be upgraded for each group and 1st place from previous week has the higher priority to be promoted. However, eligible players who are not getting promoted won't be downgraded either.

3rd week and 6th week: grouping based on **mixed rating**.

Match results will be submitted to USATT for league rating update every week. ASLT TT club rating will be updated every week as well and used for seeding through the entire season. The club rating will be sync with USATT League rating for the starting week of the league. Estimate ratings are given to unranked/new league players by league officials.

All matches are 11-point games, best 3 out of 5 games. Pre-match warm-up time is limited to 2 minutes. Players shall check in with the league committee 15 minutes before starting time.

This is an official USATT event, therefore, all USATT rules shall be enforced, including legal services, coaching, breaks in-between points and sets, etc.

All league committee decisions are final.

## PRIZES AND POINTS SYSTEM

Based on the place you finish each week in your group, you will be awarded league points based on the following tier system. At the end of season, each player's points earned every week will be totaled to a final score, and **two players with top two highest scores** will be awarded. The league committee will also dispute ties between league finishers if needed.

- First Place: 5 points
- Second Place: 3 points
- Third Place: 2 points
- Fourth Place: 1 point
- Fifth/Sixth Place: 0 points
- No attendance/default: -1 point
