Competition Format

Example: U1600/1200 RR

Any player with a rating below 1600 may enter the event.

- **Division 1 (D1):** Top 2 players from each group advance to single-elimination for 4 prizes.
- **Division 2 (D2):** Top 2 players with rating below 1200 advance to a separate single-elimination for 4 prizes.
- **Option:** Players advancing to D1 with rating under 1200 may choose to play in either D1 or D2 (default is D1). Requests must be made when submitting scores. If such a player elects to play in D2, his vacant slot in the D1 single-elimination bracket may be filled by the fourth-ranked player in his group.

This format applies to all events with ratings specified below.

This is a great opportunity to compete against much higher-rated players and still advance after losing to them. On the other hand, higher-rated players have a greater chance to win larger prizes while inspiring lower-rated players and helping to grow the sport.
